NMRbox...

- > cloud-accessible computational platform
- > 100+ software packages for biomolecular NMR

Syllabus...

- > introduction to NMRbox platform
- > nonuniform sampling (NUS)
- > non-Fourier methods to process NUS data
- > highlight critical data processing workflows

Register...

- > <https://nmrbox.org/weizmann>
- > limited to 40

Questions...

- > workshop@nmrbox.org
