

NMRbox Workshop @ ENC

*Wednesday, April 13, 2016, 6 – 9pm
Kings Plaza Room, Wyndham Hotel*

What is NMRbox?

Computational platform for NMR developed by the National Center for Biomolecular NMR Data Processing and Analysis.

Workshop Activities

**Live demos. Bring your own laptop (or use ours).
Connect to the cloud-based virtual machine.
Learn how NMRbox can enhance your productivity.**

Come see our talk

Mark Maciejewski

"Towards Reproducible Computation for NMR with NMRbox"

Wednesday, April 12, 10:45am – 12:30pm

WOB - Computational Methods for & by NMR, Grand 1

Come visit our poster

Adam Schuyler, *et al.*

"NMRbox: National Center for Biomolecular NMR Data Processing and Analysis"

Board 172, All Week, 2:00 – 3:45pm

Think inside the box.
